

# Washington Elementary Scholarship Fund!

Washington Teachers and Staff are pleased  
to announce the new  
Washington Elementary Scholarship Fund!

Honor Someone Special by donating to this great cause!

Donations to the Washington Scholarship Fund will  
provide a graduating high school senior, who is a  
Washington graduate, with a scholarship amount to be  
used toward their college education.

Please consider making a small donation in lieu of  
giving gifts to teachers. Together, this money can  
truly help our own Washington graduates!

Make checks payable to Mt. Lebanon School District - in  
the memo line write - *Washington School Scholarship Fund*.  
There will be a box labeled in the PTA mailboxes.

**The first scholarship will be awarded to a 2008 graduate!**
