March 3, 2020

Dear Parents and Guardians,

The health, safety and well-being of our students and staff are the top priorities of the Mt. Lebanon School District. We have been closely monitoring the developments of the COVID-19 virus and preparing contingency plans should the virus impact our community and District operations. All District activities and events will take place as scheduled. If this changes, you will be notified.

The District's COVID-19 webpage contains information on a variety of topics related to the COVID-19 virus, including prevention strategies, District actions, and resources for parents. We encourage you to review the information carefully.

Up-to-date information about the virus should be obtained from the Center for Disease Control (CDC), the Allegheny County Health Department (ACHD), and the Pennsylvania Department of Health.

Our Health Services Department is in daily communication with the Allegheny County Health Department, and the District is collaborating with Mt. Lebanon public safety agencies (police, fire, MRTSA, Municipality) and St. Clair Hospital to be informed, proactive, and responsive to our community's needs.

The District requests that you self-report to your school nurse or principal if you, or any member of your household, may have been exposed to the virus. And should you have specific questions or concerns about your child's health, you should contact your family's healthcare provider.

Sincerely,

Timothy J. Steinhauer, Ed.D.  
Superintendent of Schools
