PTA Council Meeting

The role of a Council PTA is to bring together the individual Mt. Lebanon school district PTAs. Council PTA offers support and leadership to the individual units. Council is the umbrella organization over the other 10 independent PTAs in Mt. Lebanon. We bring one voice to all the PTAs in Mt. Lebanon. Click [HERE](#) for more information about PTA Council.

The next PTA Council Meeting is scheduled for 11/3/2021 at 9AM at Markham Elementary School.

Outreach Teen & Family Services

Just a reminder that Outreach Teen & Family Services has MOVED! We are now located at 615 Washington Road, Terrace Level 6, right down the hall from Arancini House.

We continue to accept new patients. While a couple of our licensed counselors who take insurance have moved on, our other counselors seeing clients in person, as well as via teletherapy. While we do not maintain a wait list at this time, with the uptick in sessions, we might have one for a counselor who accepts insurance. You will be contacted within 48 hours of your intake conversation, and usually scheduled within one week.

Outreach received notice of the largest grant in the history of the agency from Staunton Farm Foundation last Friday which will be funding the expansion of our services throughout the South Hills! We are excited for this opportunity to create more partnerships with surrounding communities, and help more kids and families!!!

Our junior board members are hard at work getting their youth-led podcast off the ground. St. Clair Health has generously agreed to be our first annual sponsor for 2021-2022! The first episode is scheduled to air on Thursday, October 21st.

Our next webinar will feature Karen Randall, a special education advocate. Program Manager, Maggie Zangara, will be interviewing Karen and we hope to engage plenty of parents from our community and beyond. We'll publish the date as soon as we have it!

Membership in the Supporter Program is available now! This membership will ensure that parents receive bi-monthly e-newsletters that focus on topics of particular interest, as well as first access to quarterly "Counselor Chats."

We were privileged to have a presence for the Denis Theatre Foundation's latest community forum on "Mental Health and our Youth." If you missed it, this link will take you to the recording.

Mt. Lebanon Fire Department

In-person lessons are scheduled for all of the elementary school lessons except for the safety trailer. We will run that lesson in May if things are going in the right direction with COVID.

Halloween parade is ON for Saturday, October 30th, starting at 11am. We will have the fire bays open to the public, and we have the best candy. Stop by!

The Life Skills fire safety program received a very nice writeup on the magazine this month. If you haven't read it, you should.

It's only October, but we are entering the season for Carbon Monoxide incidents in homes. As we start to button up the windows and turn on the heat, please make sure your carbon monoxide detector works, is less than seven years old, and is somewhere that will wake you up in the middle of the night. If you want more information about smoke or fire alarms, you can go to the fire department website.

We are continuing smoke alarm installations and fireplace inspections in residents' homes. You can go to www.mtlfed.org or call 412-343-3402 to schedule or find out more information. Proper COVID protocols are being used while performing these services.

Mt. Lebanon Municipality

The Mt. Lebanon Halloween Parade will take place on Washington Road on 10/30 at 11am.

Trick Or Treat will take place on 10/31/2021 from 6-8 pm.

Applications for Resident's Academy open in November. It's a great way to get to know the many aspects of our Mt. Lebanon Community!
