

**MT. LEBANON COUNCIL OF PTA'S  
COMMITTEE REPORT - SCHOOL YEAR ENDED JUNE, 2018**

<b>Committee/Office Name:</b>	Parent Education
<b>Committee Chairperson(s) or Officer Name(s):</b>	Julie Maselko
<b>Committee Goal(s) or Job Description:</b>	Identify areas of interest for Parent Ed programs. Find existing programs that meet these needs or create one. Mt. Lebanon Police, Outreach, and Rep. Dan Miller are great resources. Schedule with presenters, reserve building, and advertise in community and newsletters.
<b>Significant accomplishments:</b>	Council co-sponsored "Shape The Sky"; a presentation aimed at teaching parents about some current social media trends, how to use them, and how to talk to their kids about them. We partnered with Outreach for this event
<b>Timeline including beginning and ending dates for committee or position:</b>	This position is really an all year position especially as topics for educational programs may arise throughout the year.
<b>Materials/Resources used or needed:</b>	Funding is needed for copies/promotional materials and for program fees if there is one. Typically our programs are free. Outreach funded 100% of the speaker fee.
<b>Budget: \$ <u>200</u></b>	<b>Actual: \$ <u>25.68</u></b>
<b>If actual is over/under budget, explain reason for variance:</b>	We are under budget since Outreach paid the speaker fee.
<b>Suggestions for next year:</b>	It is so difficult to find a time that doesn't conflict with other activities in the district and for our parents resulting in low attendance at Parent Ed events. Perhaps look into webinars or something that parents could watch at home at a convenient time.
