

Jefferson Middle School PTA

Final Report

School Year: 2013-2014

Committee/Activity: Odyssey of the Mind

Chairperson: Beth Schwartz

Job Description: Coordinate the formation and registration of the Odyssey of the Mind teams.

What we did/ accomplished: Had two teams representing the school at the regional tournament. One of the teams advanced to the State tournament..

When the job started: At the beginning of the school year

When the job finished: Middle of March

Monies used/needed /Profit: Cost for the school's national membership is \$135. Cost per team to enter the regional tournament is \$100. Because PTA budgets (at all the schools I've been in communication with) do not cover the full cost of participating, the teams have either fundraised or had their members contribute to offset the costs that are not covered by the PTA funding

Suggestions for next year: Host an information session at the school to garner more interest and have more teams compete.
