

Make a Lasting Impression

Gift Ideas

If you need a unique gift idea for a special teacher or other school personnel, to celebrate a student or extraordinary event, or to honor or remember a friend or relative, consider these two suggestions that would be appreciated by anyone who receives them!

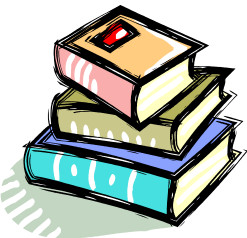

1. Washington Elementary School Scholarship Fund

You can honor anyone special by donating in their name to the Washington Scholarship Fund. A graduating high school senior who is a former Washington student will be chosen by a committee of Washington teachers to receive the scholarship to use toward his/her college education.

Make your check payable to Mt. Lebanon School District, and in the memo line add Washington School Scholarship Fund. There is a labeled box in the front office to collect donations. Be sure to indicate who you are honoring (**use the below form**). Together, this money truly can help our own Washington students!

2. Washington Library Tree

This is a great way to give a gift that can be enjoyed by our students and school community for years to come. Begun over 20 years ago, the Library Tree has been a means of helping our school library fill its shelves with wonderful books! When you donate a book, the name of the person being honored and of the donor will be added to our Library Tree in the library. Additionally, a bookplate will be placed in the donated book.

You may: a) purchase a book and give it to our librarian, Mrs. Egg, with the necessary donation information (**use the below form**); OR b) contact Mrs. Egg at 412/344-2142 so that she can work with you and choose a book that she needs in the library or that she knows your honored individual may enjoy. (Also, Mrs. Egg sometimes is able to purchase books at a discount!)

Either gift selection would be greatly appreciated by any recipient. Thank you!
