Box Tops For Education Contest

Happy April! Thank you to all of you who work so hard collecting for Washington! This month, we have an special reward for all that hard work. The students of Washington will be able to relax after PSSAs with an

awesome assembly from the Carnegie Science Center.

On April 28, the Science Center will be presenting *Wild By Design* – an interactive presentation focused on zoology, physics, and engineering where kids will explore how the study of animals has inspired a wide range of technology research from robotics to wind turbines and fire suppression systems. This terrific opportunity is thanks to all of you who used your Shop N Save Perks cards to rack up points for our school – so thank you!

If you need help registering your [Shop N Save](#) card, feel free to contact us. We're always happy to help at Collections Corner – just send [me](#) an email.
